

How do I Bid?

Write your bidder number (the one on your bracelet) next to the price that you're willing to pay on the bid sheet next to the item. Skip lines or **choose the Buy It Now** option to guarantee that you will win!

How do I win?

The highest bidder wins the item. To guarantee a win, bid on the **Buy It Now** line.

When Can I Bid?

There are 4 auctions. They close at 11:30, 12:30, and 1:30 (look for signs on the auction tables). Place a bid any time before an auction closes, but **not after**.

★What does a Gold Star on the Bid Sheet Mean?★

When you bid on a line that has a gold star next to it you will **automatically be entered into a random drawing to win a prize!** Winners will be announced after each auction closes.

How do I Know if I Won an Item?

A copy of the bid sheet with all bidding information will be left on the table. We will send invoices within 24 hours to all winning bidders at the email address they used at registration.

How do I Get my Items?

Items are available for pickup at the Registration table 30 minutes after each auction closes and until 3:00pm. Shorenorth members are encouraged to pick up their items prior to helping with cleanup.

If you are unable to pick up your items day of event, one of our members will contact you to make arrangements.

How do I Pay?

You can charge game tickets, food, and auction item bids to your bidder number. After the Carnival, the credit card you swiped at registration will be charged and you will get an invoice within 24 hours at the email address you gave at registration.
